High Risk Flag Trade Execution Alert

US Person Flag

成功儲存後會有如下訊息提示

The screenshot shows a web application interface. At the top, a notification box from 'shkdemo.fortex.com' states: 'Your trade execution alert status has been saved.' with an 'OK' button. Below this, the main page header includes 'Trade on Our Strength™', '結算報告' (Settlement Report), and '用戶資源' (User Resources). The user profile section is titled 'er/Account' and identifies the user as 'Regular User: SHKDEMO1357'. A red warning message reads: 'you can only change the Trade Execution alert status and Email, please change it in the Personal Info tab.' The 'Personal Info' tab is active, showing fields for Name, Surname (EBSHK Forex), and Birthday. There are also checkboxes for 'High Risk Flag', 'US Person Flag', and 'Trade Execution Alert' (which is checked).

如下列例子，交易提示包括交易編號，日期時間及交易詳細內容會於交易成功執行後即時發送至閣下登記電郵地址

The screenshot displays an 'Order Manager' window with a table of orders and an email notification below it.
